The case has been removed from the trial list and has been scheduled for motion hearings in June. If the case survives the motions to dismiss, I will let you know the new trial date. Have a great vacation.

Hi Sonja

This is now Greg Bartlett's case. I have added him to this email. He will get back with you as soon as he finds out any information.

Have fun on vacation!

Hi Laila-

I just wanted to check in regarding the case scheduled for trial on May 29, 2012. Has anything changed in the case? Do you think it is most likely going to trial, or end up a plea? I know it is still a few weeks away so you may not know anything new, but I'm trying to plan a vacation and there are only two weeks in the next two months where I only have one case scheduled, and yours happens to be one of them. Thanks.

-Sonja
